Fragrance Family: Woody, Spicy, Gourmand

Key Notes: Bergamot, Grapefruit, Cinnamon, Vetiver, Tobacco, White leather accord

About the Fragrance: Making its debut in 2012, Spicebomb Eau de Toilette is Viktor & Rolf's masculine ode to the iconic Flowerbomb fragrance for women. Crafted by perfumer Olivier Polge, this strong and spicy fragrance is an instant olfactory detonation that is fiery and addictive.

Fragrance Description: Spicebomb Cologne is an explosion of sensual, fiery spices that captivates for ultimate seduction. The intensely masculine scent opens with an explosive accord of pink peppercorn, elemi, bergamot, and grapefruit. The heart of the cologne is a blaze of warming spices, cinnamon, saffron, and paprika. Luxuriously rustic notes of leather, tobacco, and vetiver leave behind a robust presence not long to be forgotten. This warm, spicy winter scent pairs well with close encounters on chilly nights.

About the Bottle: The bottle is a powerful grenade that embodies explosive masculinity. The custom-built glass bottle is encircled by a black band that contains the force of the fragrance.

The grenade-shaped bottle comes in 50ml and 90ml sizes. It is uniquely customizable with engraving or custom Viktor & Rolf accessories, including metal handcuffs, a black satin bowtie, and a black satin heart.

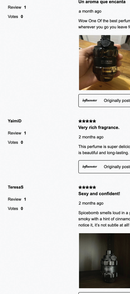
THE STORY OF SPICEBOMB

EXPLOSION OF THE SENSES

Spicebomb is an instant olfactory detonation. An overturning convention which reveals a fragrance that makes no concessions. An explosive concentrate of masculine sensuality. The bottle, a reworked custom-built grenade for a perfume made up of explosive scents, is encircled by a black band that cannot contain the force of the fragrance. An olfactory explosion is inextricable.



THE SCENT OF ADDICTION

An explosive encounter between two accords with detonating tones: the first is a heart of incandescent spices – chilli and saffron – with the all-masculine roundness of leather and tobacco, along with the distinguished brute strength of vetiver. The second is explosive, fusing fresh zesty notes of bergamot and grapefruit, while cold spices – elemi and pink pepper – leave the mark of their icy bite.

Sexy and confident!

Spicebomb smells loud in a good way. First spray is a burst of peppery spice, then it quickly turns warm, sweet, and slightly smoky with a hint of cinnamon. It's very masculine, attention-grabbing and made for cold weather and nights out! People will notice it, it's not subtle at all!

This was my first Viktor and Rolf cologne and it's a banger. I like wearing it on those cold days that make the spice in it stand out! Great winter fragrance! Price point was perfect at a cologne discounter for what it is.
